Why YSM-CVS?

YSM-CVS has been well reputed for delivering excellent results since its inception in 2008, with two University Gold Medalists in the last eighteen years. The Centre inculcates lifelong inquisitiveness among its students, guiding them towards successful and fulfilling careers. It has developed a unique delivery mechanism that enables students to aspire to and achieve the highest goals.

Over these eighteen years, the Centre proudly boasts a strong alumni network, with well placed in both corporate and government sectors. Our alumni are working with reputed MNCs such as TCS, Wipro, Accenture, Google, Amazon, Oracle, and leading financial institutions like HDFC Bank, American Bank, State Bank of India, as well as organizations such as India Infoline, Indiabulls, SBI Mutual Funds, Cholamandalam, among others.

Enthusiastic, Young, Dynamic and Experienced Faculty

The Centre boasts a dynamic blend of faculties from both academia and industry, bringing youthful energy and contemporary teaching approaches. It regularly engages industry experts and professionals from leading institutions to enrich learning beyond the curriculum.

Industrial Visit

The Centre organizes industrial visits to provide final-year students with practical industry exposure and real-world learning experiences. These visits help students understand industrial processes, workplace culture, and emerging technologies relevant to their field of study.

Seminar & Workshop

Holistic development of students has been the focal point of the Centre of Vocational Studies at YSM. The centre time-to-time conducts seminars and workshops for students to ensure fulfilment of its commitment towards holistic development of the students.

ACTIVITIES

The centre actively promotes cultural activities to enhance students' creativity, confidence, and teamwork. It provides a vibrant platform for students to showcase talent and engage in diverse cultural and social experiences.

UNIQUE INITIATIVES

E-learning: The college's e-learning platform supports students in resolving subject-related queries and offers extensive opportunities for advanced web-based learning.

Mentoring: The centre ensures regular student's mentoring, with faculty readily available to guide and support them.

Financial Support: The centre offers financial support to students by awarding substantial amount to meritorious students based on performance.

Personality and Confidence Building Programmes: The centre conducts personality and confidence-building programs alongside the curriculum to make students industry ready.

Clubs & Student Driven Society

The centre hosts two student-driven clubs/society: The DevLoopers for tech innovation and Team Pehchan for cultural co-curricular and social activities.

CERTIFICATION COURSE

The centre offers certification courses to enhance students' overall development and industry readiness. Key programs include Communicative English, Digital Marketing, AI, Cyber Security, and Cloud Computing focusing on both theoretical knowledge and practical skills. These courses help bridge the gap between academic learning and industry requirements.
