5.1.4. Details of the statutory/regulatory committees

Answer: The college strictly implements the guidelines provided by the statutory/regulatory bodies, specifically those given by the University Grants Commission (UGC). To ensure a comprehensive and effective grievance redressal framework, dedicated committees have been instituted, each with its specific focus. These committees include the

Internal Complaints Committee (ICC),

Anti-Ragging Committee (ARC),

Anti-Ragging Squad (ARS),

Proctorial Board (PB),

Moreover, our college proactively incorporates and enforces UGC notifications as they are issued periodically. In congruence with the UGC's directives, specifically outlined in the notification CG-DL-E-11042023-245095 dated April 11, 2023, we have also established a dedicated ***Student Grievance Redressal Committee***. This committee is tasked with overseeing the resolution of student grievances in alignment with the principles of fairness and transparency prescribed by the UGC. These committees play a crucial role in ensuring a safe campus environment.
