"*NEP-2020 is a philosophy to realise the full human potential of India's demography, drive a culture of innovation and entrepreneurship as envisioned by the Prime Minister Shri Narendra Modi Ji, and create 'vishwa manavs' committed to global welfare in line with the ethos of 'Vasudhaiv Kutumbakam'. It is aimed at decolonising education and achieving aspirations, creating pride in our languages, culture and knowledge. We must bring in a transformative education system rooted in Indian values, thoughts and sense of service*".

Shri Dharmendra Pradhan
Hon'ble Minister of Education &
Minister of Skill Development and Entrepreneurship,
Government of India.

About NEP-PDP

This Professional Development Programme (NEP-PDP) on implementation of National Education Policy-2020 is offered by IGNOU, and approved by the University Grants Commission (UGC) as equivalent to UGC-HRDC Programmes.

The new *National Education Policy - 2020 (NEP-2020)* was notified by the Government of India in July 2020, 34 years after the last NEP was notified in 1986. The NEP-2020 provides for a comprehensive, sustainable and reformative roadmap for a paradigm shift in the entire education system in the country, and is culturally grounded, is geared toward quality transformation, and is internationally competitive. In so far as higher education is concerned, besides proposing for foundational principles for educational change in relation to Indian traditional knowledge, culture and values, the NEP-2020 proposes reforms in all areas of higher education, including its structure, curriculum and pedagogy, teaching-learning strategies, learning resources and technology-enabled learning, vocational education and skilling and employability, 21st century learning and social and life skills, optimal learning environment and learner support, formative and summative assessment, internationalization, research and scholarship, governance and leadership, and regulation and accreditation.

There is now a need that all the college and university teachers in the country get exposed to the nuances and implementation strategies of the National Education Policy- 2020 (NEP-2020) so that their implementation in institutional contexts becomes smooth, effective, and sustainable.

This NEP-PDP is a 36-hour training programme, recognised by UGC as equivalent to 6-day short-term professional development programme of UGC-HRDC. One can successfully complete the programme within 6-9 days duration; and the certification on successful completion of the programme shall also be equally useful for purposes of API, CAS and any other career advancement requirements specified by UGC.

Who Can Participate

Any teacher of any Higher Education Institute in India can register and participate in the Professional Development Programme on National Education Polilcy-2020. The teacher has to register at the Samarth-NEP Portal (https://ignou-nep-pdp.samarth.ac.in/) by uploading institution I-Card or letter from the head of the institution.

● Target Group

The target groups to be imparted training include the following (total= 15.01 lakh higher education teachers) (AISHE data: 2020):

University teachers = **2.14 lakh** (including 1401 Open University teachers, and above 1000 dual-mode university DE teachers)

College teachers = **11.3 lakh** (including 58,105 academic counselors of 15 open universities)

Teachers of Stand Alone Institutions = **1.57 lakh**

● NEP-PDP Learning Outcomes

After going through the total of 36 hours of training (comprising of 6 days of inputs, equivalent to a 6-Day short-term professional development programme of UGC-HRDC), the participating faculty shall be well-equipped with knowledge about various dimensions of NEP-2020. More specifically, they will be able to:

Describe the foundational principles of NEP-2020, structural arrangements, GER, access, equity, inclusion, and 21st century learning in higher education, and plan for their further growth and development

Analyse and reflect upon Bhartiya Gyan Parampara, culture and values, holistic and multidisciplinary education, curriculum and pedagogy, multiple entry-exit, skilling and employability, optimal learning environment and learner support, academic bank of credits, innovative formative and summative assessment, and formulate plan of action in these areas.

Analyse various components of online and digital education /technology-enabled learning/ blended learning, OERs, MOOCs and flipped classrooms, and visualise effective implementation of flipped and blended learning in teaching-learning, learner support, and learner management/ analytics.

Describe the status and possibilities of cross-border delivery, internationalisation of curriculum; and underline the importance of quality academic research, and regulation and quality assurance in developing an academic culture of evidence-based teaching-learning

Articulate and reflect upon the changing role of faculty and academic leadership and governance in grounding the NEP into implementation reality, and strategize its effective and appropriate implementation.

Respected Sir,

Namaskar!

With reference to trailing mails and continuous interaction with you, I had put up the case to our Director sir for approval. He has kindly given the approval to conduct the training programme on "NEP-2020 Curriculum Reforms and Skills Development" from 27th June to 01st July, 2022 in online mode under our TLC project. As a special case this time no fee is being charged for conducting the programme.
The online link for registration has already been generated. To avoid any technical problem at the last moment, it is requested to ensure that faculty (only permanent) from YSM should register online immediately, as registration will be closed by 23rd/24th June, 2022. ,
The link for registration is as follows. The link is also available online .
