(C) Leadership and Representation

Our institution values diversity in leadership roles. Over the years, several female employees hold and have held key positions, including Head of the Academic Departments, Prof-in-Charge (Academics), Bursar, Controller of Examinations, Coordinator IQAC, Prof. In Charge (Library), Public Information Officer, Programme Officer N.S.S and Coordinator IGNOUetc. By having women in leadership positions, we inspire students and create role models, fostering an environment that nurtures aspirations and breaks down gender barriers.
