

Environmental Promotional Activities conducted beyond the campus.

The college extends its commitment to environmental sustainability beyond its premises. Collaborating with the NCC and NSS Unit of the college, the institution organizes plantation drives and cleanliness drives in the surrounding areas. These initiatives not only contribute to creating a cleaner environment but also serve as educational opportunities to raise awareness and inspire individuals to adopt sustainable practices.

Academic Year: 2018 -19

1. Cleanliness Drive on 20.10.2018

On the 20th of October 2018, the National Cadet Corps (NCC) organized a cleanliness drive. The drive was held at Leprosy Colony and areas near the Mahavidyalaya Campus, where a total of 95 enthusiastic cadets from our Mahavidyalaya participated with great zeal.

The primary objective of this initiative was to instill a sense of responsibility and promote cleanliness and hygiene in the community. To kick start the event, the cadets received a comprehensive orientation about the significance of cleanliness and its profound impact on public health.

Determined to make a difference, the NCC cadets eagerly engaged in cleaning the designated areas, diligently picking up litter, and sweeping the streets. Their dedication and enthusiasm were truly commendable.

The results of the drive were truly outstanding. The village and its surroundings were transformed, reflecting the positive impact of collective efforts toward maintaining a clean and healthy environment. The NCC cadets did not stop at just cleaning up; they took the opportunity to educate the community about the proper methods of waste disposal and the detrimental effects of littering on our environment.

The event proved to be a resounding success in raising awareness about the paramount importance of cleanliness. It also served as an inspiration for the community members to be more proactive in taking care of their surroundings. The NCC's commendable efforts exemplified responsible citizenship and showcased their dedication to promoting a cleaner and healthier environment.

Overall, the NCC's cleanliness drive left a lasting impression, fostering a sense of responsibility and pride within the community. By leading this noble initiative, the NCC demonstrated the true essence of service and the positive impact that small actions can have on society as a whole.

2. Swachhta Abhiyan

In pursuit of our mission to create a clean and green environment, the dedicated NCC cadets of our Mahavidyalaya took charge and organized a remarkable "Swachhta Abhiyan" at Nayasarai village. This event saw the enthusiastic participation of 90 cadets, including 55 boys and 35 girls. Driven by a common purpose, the cadets embarked on a journey to transform Nayasarai village into a shining example of cleanliness and sustainability. Their commitment to this noble cause was truly inspiring.

With their sleeves rolled up and hearts full of determination, the NCC cadets worked tirelessly to sweep away litter, pick up trash, and beautify the surroundings. Their efforts were not only focused on immediate clean-up but also on raising awareness within the community about the significance of maintaining a clean and green environment. Through engaging discussions, the cadets sensitized the villagers about the importance of individual actions on the overall well-being of the environment.

Cleanliness Drive -NCC-Jagarnnath Temple-2019

The cleanliness drive conducted by the NCC cadets at Jagannathpur Temple in 2019 was a resounding success. The collective effort of the cadets and the community showcased the significance of community service and responsible waste management. The event not only contributed to the cleanliness of the temple but also instilled a sense of responsibility and pride among the youth for preserving their cultural heritage.

The students also carried out an awareness campaign to sensitize the local community.

On the day of the cleanliness drive, the NCC cadets, armed with these banners and posters, conducted various activities to disseminate the message effectively.

Tree Plantation NCC-05.06.2019

On 5th June 2019, a remarkable Tree Plantation Drive took place at Tupudana, Hatia, organized by the National Cadet Corps (NCC). The main objective of this initiative was to foster environmental awareness and instill a sense of responsibility for the environment within the community.

The event commenced with an informative session highlighting the crucial role trees play in maintaining the ecological balance of our planet. With a total of 85 enthusiastic participants from our Mahavidyalaya, including 45 boys and 35 girls, the drive was off to a promising start. Determined to make a positive impact, the NCC cadets embarked on the task of planting a diverse range of saplings, including neem, peepal, banyan, and mango trees.

Moreover, the NCC cadets went above and beyond by educating the local community on proper sapling care, emphasizing the significance of regular watering and nurturing. By doing so, they encouraged the community members to take ownership of their surroundings and actively participate in environmental conservation.

Swachhta Pakhwara -NCC-2020

Under the guidance of ANO Captain L.K. Jha, the NCC cadets of the college, a total of 90 in number, organized a meaningful Swachhta Pakhwara at the village of Pipra Toli, Naya Sarai.

The Swachhta Pakhwara saw the enthusiastic NCC cadets engaging in various cleanliness activities. One of the primary objectives was to clean the surroundings of Pipra Toli, ensuring that the area remained speck and span. Beyond that, the cadets extended their efforts to promote cleanliness in the nearby community areas, including parks, streets, and public spaces, sending a powerful message about the importance of cleanliness to the wider community.

Through their collective endeavors, the NCC cadets demonstrated their dedication to creating a cleaner and healthier environment. Their involvement in the Swachhta Pakhwara served as a positive example for the villagers and the community, inspiring others to take active steps towards maintaining cleanliness and hygiene.

Overall, the event not only contributed to the cleanliness and tidiness of Pipra Toli but also left a lasting impact on the minds of those involved, fostering a culture of cleanliness and responsibility towards the environment.

Tree Plantation -NCC- 28th July to 1st August 2020

From 28th July 2020 to 1st August 2020, the Yogoda Satsanga Mahavidyalaya (YSM) National Cadet Corps (NCC) initiated a tree plantation drive in the vicinity of their college, aiming to contribute to the environment and enhance the greenery in the surroundings. This report provides an overview of the tree plantation drive organized by the YSM-NCC.

A total of 31 cadets, led by ANO Capt. L.K. Jha actively participated in the tree plantation drive. Their enthusiasm and commitment to environmental preservation were evident throughout the event.

The drive resulted in the successful planting of 35 trees in the nearby areas of the college. To promote biodiversity and provide various benefits, a diverse mix of trees was chosen, including fruit-bearing, flowering, and shade-giving varieties.

Through this initiative, the YSM-NCC demonstrated its dedication to environmental conservation and its willingness to take concrete actions to make a positive impact on the ecosystem. The tree plantation drive stands as a testament to the cadets' sense of responsibility toward the environment and their commitment to creating a greener and more sustainable future for their college and community.

Swachhta Pakhwara 1st Dec to 14th Dec,2021

During the Swachhata Pakhwara, a cleanliness drive organized by the 19 BN & Y.S.M. NCC under the guidance of Commanding Officer Col H.K Pathak, the main objective was to raise awareness about cleanliness and hygiene in Jagannathpur village and its surrounding areas.

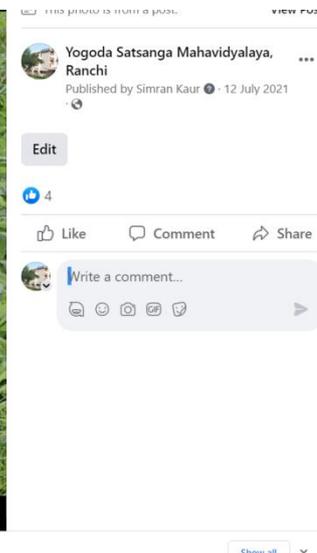

To achieve this, the cadets, along with ANO Capt L.K. Jha, conducted a rally in Jagannathpur village. Their focus was to spread awareness about the importance of cleanliness in our daily lives. Displaying placards and banners with slogans such as "Cleanliness is next to Godliness" and "Swachhata hi Seva hai," they emphasized the significance of maintaining hygiene.

The cadets actively engaged with the villagers, educating them about the necessity of keeping their surroundings clean. They also highlighted the adverse effects of unclean environments on both health and the ecosystem. To further demonstrate proper waste disposal methods, the ANO conducted a practical session on waste segregation.

The villagers warmly welcomed this initiative, appreciating the efforts made by the NCC cadets in promoting cleanliness and hygiene within their community.

including rivers and lakes of plastic and other waste material. A total of 81 cadets participated in this initiative on May 13, 2022.

Academic Year 2022-23

5th June 2022 -World Environment Day

Only together can we make real strides in safeguarding our world. Let's take care of our one, and only home. As a part of the World Environment Day celebration, NSS Unit II of YSM in collaboration with [The Team GREEN](#) (a youth-driven NGO that has planted more than 14,000 trees in three years in Ranchi) planted saplings not only on the campus but also on the premises of Maa Kali temple and some nearby private protected land.

NSS Unit II Programme officer, Dr.R S Dey urged the local people to maintain the plantation being done in their area. No doubt, Plantation is extremely important, but so is the maintenance, he said. The NSS volunteers also made artistically designed posters and slogans to create and spread eco-consciousness.

Dr. R S Dey, the Program Officer of NSS Unit II, urged the local people to take care of the saplings and ensure their growth. Dr. Dey highlighted the fact that a plantation is not enough, and we need

to take care of the plants we have planted to make a real impact.

8th September 2022- Mega Plantation and Distribution Drive

Team Pehchan, a student-driven society, under the aegis of the Department of Life Skills (DLS), organized a Mega Plantation and Distribution Drive in the Mahavidyalaya in association with the Department of Forest, Government of Jharkhand on September 8, 2022.

Sri Prem Sagar Singh, Senior Forest Range Officer, Ranchi Division shared unique plant nursery

ideas with the students. He was deeply appreciative of the efforts made by the students and also applauded the spirit of the students to contribute to the environment.

This was followed by the distribution of saplings to the registered participants who

volunteered to plant a sapling in their homes and pledged to nurture it.

Almost 300 saplings of various varieties including fruit-bearing trees were not only distributed among the students but the Senior range Forest officer also demonstrated to the students the kitty gritty that needs to be taken off during plantation. To mark the occasion, the officials of the Department of Forest also planted a few saplings.

January 19, 2023 -Clothes distribution and Cleanliness Drive

The NSS Unit II of the Mahavidyalaya recently conducted a Clothes distribution and Cleanliness Drive in Indra Nagar Colony on January 19, 2023. The NSS team showed great enthusiasm in collecting clothes for the distribution drive. They made sincere efforts to reach out to people in the community and encouraged them to donate clothes for the cause. The team also organized a cleanliness drive around the Kali temple premises to promote hygiene and educate people about the importance of cleanliness.

22nd February 2023-Cleanliness and Plantation Drive

On 22nd February 2023, the NSS Unit II of the Mahavidyalaya in collaboration with the Rapid Action Force (RAF) 106 Battalion, organized a cleanliness and plantation drive in and around the campus. The initiative was aimed at creating a cleaner and greener environment and promoting environmental literacy among the students.

Activities: The cleanliness and plantation drive included various activities such as sweeping and cleaning the campus, collecting garbage and waste materials, and planting saplings. The NSS volunteers and RAF officials actively participated in the drive and worked

together to accomplish the tasks. The cleanliness and plantation drive was successful in creating a cleaner and greener environment in and around the campus. The students were educated about the importance of protecting the environment and the need for such initiatives to be taken regularly. The drive also helped in fostering a sense of responsibility towards the environment and inculcating the habit of keeping the surroundings clean.

March 2023, NSS Camp

NSS Unit II of our college organized a weeklong special camp under the theme "Addiction-free India Healthy India" from 14th March onwards in the Indra Nagar Colony located near the college. The following were some of the activities undertaken during the camp:

Cleaning of the surroundings

An addiction-free India and clean surroundings go hand in hand, as one can reinforce and contribute to the other. Our volunteers also participated in cleaning the nearby areas to promote healthy living habits among the villagers.

May 19,2023-'From Waste to Resource: Promoting Sustainability through Campus Composting'

The event titled 'From Waste to Resource: Promoting Sustainability through Campus Composting' was organized by the Quality Assurance Cell (IQAC) of the college in collaboration with the Institute of Forest Productivity(IFP) Ranchi, Urban Kheti, and Team Green on May 19, 2023.

The event aimed to address environmental challenges, promote sustainability, and educate the campus community about the benefits of composting.

Ms. Anjana Tirkey, IFS, from the Institute of Forest Productivity, Ranchi delivered an enlightening and engaging speech on the importance of Mission Life and its role in environmental protection. She highlighted 75 small behavioral changes that can bring about monumental changes to the environment. Post her address, the students also took a pledge to demonstrate environmentally conscious behavior.

Mr. Prakash Kumar from Urban Kheti commended the college for its serene and environmentally conscious ambiance. In his address, he also appreciated the dedicated team of garden maintenance at the college Mr. Kumar emphasized the importance of sustainable practices, particularly composting, in preserving and restoring ecosystems. He also highlighted how composting can also serve as an income-generation activity.

The event's uniqueness lies in its hands-on approach, providing participants with practical experience and education about sustainability. Mr. Harendra Kumar from Team Green and Mr. Prakash Kumar guided the students on waste segregation and demonstrated compost bed preparation and key aspects related to converting Jagarnath Mandir's puja waste & leaf litter of our campus into compost. This practical session was especially valuable for the students who have opted for organic farming in the new curriculum, as it provided them with the much-needed insights and exp

osure.

Workshop on Campus Composting
