ACTION TAKEN PROCESS AGAINST FEEDBACK GIVEN FROM STAKEHOLDERS:

The faculty of science and IQAC is committed to the highest standards of education and other provision for its students and encourages students to provide the Institute with thoughtful and constructive feedback. Formal evaluations, along with informal comments and consultations, are used to improve our course and other provisions and to encourage staff where appropriate.

Feedback from Parent is collected. After collecting feedback are carefully analyzed and suggestions given by them are carefully reported. Some major suggestions regarding the syllabus, teaching, learning, and evaluation are presented and discussed. The steps against those suggestions are taken and a report is prepared. The suggested actions will be implemented accordingly.

ACTION TAKEN AGAINST PARENTS' FEEDBACK

S.No	Feedback	Action Taken	Impact
1	Better infrastructure and well-equipped classroom	The fans, bulbs, and other facilities in the classroom got repaired	
2	Timely syllabus completion	Hybrid mode (online and offline) classes have been started for syllabus completion	The course completion and revision classes help students to score better at the end semester
3	Special attention towards below-average students	Identification of below-average students and remedial and doubt	The remedial and special classes helped below-average
