Q2. Have you ever experienced institutional discrimination of any kind at YSM?

☐ (a) Yes ☐ (b) No ☑ (c) Cannot Say

Q3. Please suggest steps that can be taken by the college to encourage and facilitate research-oriented projects by teachers?

The institution needs to facilitate the process by which teachers can procure Major and Minor Research Projects.

Q4. What other support do you need from the institution for fulfilling your professional goals?

I feel an enforced stipulated numbers of hours for stay in college campus will hamper academic growth and creative efficacy of the faculty members in the long run. Fallow hours spent in college could have been productively devoted to research or even academic enrichment in more conducive environs.

Female staff toilet is in abject need of basic things like plastic mugs, waste-bin, fresheners and ample supply of hand-wash and light bulbs. It is my humble request that the above be refurbished.
