3. INDEPENDENCE DAY CELEBRATION 2020

YSM found a way to celebrate India's 74th Independence Day and engage students through online competitions. Organizing online events not only allows students to showcase their talents and enthusiasm, but also adheres to social-distancing guidelines, promoting a safe environment for everyone involved. The decision to restrict physical attendance to only teachers is a prudent measure to mitigate the risk of spreading the virus. By doing so, YSM prioritizes the health and safety of its community members while still providing an avenue for students to participate in celebratory activities.

4. WORLD PHOTOGRAPHY DAY, 19 AUGUST 2020

LOCKDOWN THROUGH THE LENS!!!

YSM took initiative during the challenging times of the COVID-19 pandemic. Encouraging young photographers to share their favorite lockdown captures is an excellent way to channel creativity, foster a sense of community, and document the unique experiences during this unprecedented period.

Celebrating World Photography Day in this manner not only showcases the resilience of the community but also highlights the power of visual storytelling in capturing the essence of these times. The enthusiasm and zeal demonstrated by the large number of student participants reflect the strength and adaptability of the YSM community.

"Teachers are the torchbearers of the Gen-next."

Yogoda Satsanga Mahavidyalaya celebrated Teacher's Day on **September 5th 2020**, to express gratitude for their teachers' significant contributions, especially during challenging times. Teacher's Day is a special occasion to honor and appreciate the hard work, dedication, and guidance provided by educators. In the midst of the pandemic, where educational institutions faced unprecedented challenges, the expression of gratitude becomes even more meaningful. Teachers played a crucial role in adapting to new teaching methodologies, ensuring continued learning, and providing emotional support to students during these trying times.
