## 1. अभिनय कार्यशाला

May 26-27, 2023

The Internal Quality Assurance Cell (I.Q.A.C.) and Hindi Department successfully organized a two-day workshop titled 'अभिनय कार्यशाला' on **May 26-27, 2023**. This workshop aimed to provide students with a comprehensive understanding of the art of acting and was led by the esteemed theater artist Mr. Jitendra Vadher.

By dividing the workshop into four sessions, held over two days, the organizers created an environment for in-depth exploration and practical learning opportunities.

Starting off with the innovation of blessings from Shri Shri Paramahansa Yogananda, the workshop established a spiritually uplifting tone for the event.

The inaugural session on the first day began with an enlightening address by Mr. Avijit Ghosh, the Secretary of the Governing Body. He emphasized every individual engages in acting on the stage of life, with God Himself serving as the director of our performances. He further emphasized the importance of living in the present moment, embracing the essence of mindfulness.

Dr. Shyam Pandey, Principal, shed light on the profound significance of drama and the stage. He discussed how the stage becomes a platform for creative expression, self-discovery, and emotional exploration. He also highlighted that in Sahitya (literature), the concept of "Rasa" holds great significance. There are nine types of Rasa, each representing a distinct emotional experience or sentiment. These nine Rasas form the foundation of Indian aesthetics and are crucial for the creation and appreciation of literary works, theatrical performances, and other art forms. He appreciated the tireless efforts of

Prof. P K Jha (HOD-Hindi Department), Prof. (Mrs) Simran Kaur, Prof. Abhishek Pandey and Team IQAC for organizing 'अभिनय कार्यशाला'.

Dr. Pradeep Kumar Jha, the Head of the Hindi Department, eloquently shared his insights on the origin of drama and its deep-rooted connection with the stage, highlighting its cultural and artistic significance.

Dr. D. Jha Sudhir, the Head of the Sanskrit Department, acquainted the attendees with the profound concepts mentioned in Bharat Muni's Natya Shastra, providing a historical and theoretical perspective on the art of acting.

Dr. R. S. Dey, the Head of the English Department, underscored the relevance and impact of the stage by referencing various notable English plays, emphasizing its universal appeal.

Ravi Kumar, a distinguished alumnus of the college, was invited as a special guest to the two-day workshop. During his time as a student, Ravi Kumar actively participated in drama events and brought numerous accolades to the college. His talent and dedication continue to bring great honor to the institution as he pursues a successful career in acting, with an impressive portfolio of film projects and commercials.

Ravi Kumar had the privilege of sharing his valuable experience and journey with the students during the workshop. His presence served as a testament to the college's commitment to alumni nurturing of talent.

Additionally, on the second day, a stimulating question-and-answer session was conducted, allowing the students to seek clarifications and delve deeper into the intricacies of the stage and the art of acting.

## 2. Annual Sports Meet

17/04/2023

The much-awaited Annual Sports Meet finally arrived, bringing with it a wave of excitement and anticipation that could be felt throughout the campus.

The festivities began with the lighting of the lamp and the garlanding of the revered Guru Ji's portrait, which set the tone for a day filled with joy and sportsmanship. The torch relay followed soon after, with the torch bearers sprinting around the track. As the torch was passed from one participant to the other, the audience gave them thunderous applause as their achievements in sports were spelled out by the Master of Ceremony, Dr. Abhishek Pandey.

The participants and the audience stood in unison, united in their love for their country and sang the National Anthem.

The Oath Ceremony that followed was a testament to the participants' commitment to fair play as they vowed to compete with integrity and uphold the spirit of the game.

Keeping in mind the weather, the events kicked off early in the morning, with participants from different departments showcasing their skills in the javelin, shot put, and long jump, 1500m, 400m, and 200m. The athletes pushed themselves to their limits, displaying their agility, speed, and strength, leaving the audience spellbound.

## 3. World Sparrow Day celebration

12/03/2023

**On March 20th, 2023**, the Department of Zoology celebrated World Sparrow Day to raise awareness about the plight of the sparrows and the need to protect them.

The event began with an awareness rally, in which students and the faculty members participated. They walked around the college campus holding banners and placards with messages about the importance of sparrows in the ecosystem and the need to protect them. The rally was led by the department's professors.

After the rally, the participants gathered in the Seminar Hall. The session in the Seminar Hall began with an invocation of the blessings of Gurudev.

This was followed by an address by Brig Dr. Anil Sharma who highlighted the role the sparrows play in maintaining the ecological balance. He also assured that the college would take up projects to plant undergrowth and bushes which had to be cut for the construction of the new buildings.

Abhishek Ghosh, a student of Semester I, Department of Zoology, delivered a video presentation. His video presentation was not only informative but also engaging, as he used visual aids and real-life examples to make his points. Abhishek by way of his presentation also suggested some simple measures that can be taken to protect sparrows, such as providing nesting boxes, planting native trees and shrubs, and avoiding the use of pesticides in gardens and agricultural fields.

Simran and Neha, students of Semester III delivered speeches in English and Hindi respectively. They talked about the need to protect these beautiful birds and the role that each one of us can play in their conservation.

Students from Department of Zoology and Botany participated and came up with some excellent posters and slogans that highlighted the importance of sparrows and the various threats that they face.

Towards the end of the programme, Lt.General Gyan Bhushan, Vice-Chairman Governing Body appreciated the initiative taken by the department and emphasized the importance of these small and beautiful birds in our ecosystem.

The media partners for the event, 'Shubham Sandesh' Hindi Dainik and Lagataar.in conducted quiz and other student activities and also gave prizes to the students who were best at poster making, slogan writing and bird house making. They also interviewed the department's professors, students, and other participants about their thoughts on the declining sparrow population and what measures can be taken to protect them.

On the occasion Lt.General Gyan Bhushan, Vice-Chairman Governing Body, Brig.Dr. Anil Sharma, Secretary, Governing Body, Dr.Shyam Pandey, Principal YSM, Dr. Anjana Verma, HOD, Department of Zoology, Dr. Suniti Chaudhary, HOD, Department of Botany, Dr. Sumit Pathak, Dr. Rakhee Lohia, Mr.Ravi Rahul Singh, Mr. L K Jha along with the students of the Science Faculty were present.
