SEMINAR

1. Seminar on “What is History”

दिनांक 27 नवंबर 2020 को शाम 7.00 बजे से 8.00 बजे तक, गूगल मीट पर इतिहास विभाग विभागीय सेमिनार का आयोजन, प्राचार्य सह विभागाध्यक्ष डॉ० मनोज शेखर की अध्यक्षता में इतिहास क्या है? विषय पर आयोजित किया गया। सेमिनार में इतिहास विभाग, योगदासत्संग महाविद्यालय, रांची के लगभग सौ छात्र को शामिल हुए।

सेमिनार में अपना उद्बोधन देते हुए डॉ० मनोज शेखर ने राष्ट्रवादी इतिहास लेखन की आवश्यकता पर बल देते हुए, छात्रों से अपने अपने गांव के इतिहास को संकलित करने का आह्वान किया ताकि हम अपने धरोहरों की ऐतिहासिकता को संजोने के साथसाथ उसे सुरक्षित करने में सफल हो सकें।

कार्यक्रम में बोलते हुए डॉ० मृत्युंजय कुमार ने कहा कि इतिहास लेखन विचारों पर आधारित होता है। इतिहास, इतिहासकार और उसके तथ्यों के बीच चलने वाला निरंतर और अंतहीन संवाद प्रक्रिया है, जो वर्तमान को समझने में सहायक होता है। डॉ० अमृता दत्ताने विभिन्न इतिहासकारों के विचारों के आलोक में इतिहास को परिभाषित किया।

कार्यक्रम में अंत में प्रश्नोत्तर सत्र में छात्र छात्राओं ने सक्रिय भागीदारी निभाई।

यह सेमिनार इतिहास विभाग,

योगदासत्संग महाविद्यालय द्वारा प्रत्येक माह आयोजित किए जाने वाले विभागीय सेमिनार श्रृंखला का भाग था।

WEBINAR/AWARENESS

2. Webinar on “Exploring Knowledge with Machine Learning & Deep Learning for Industries 4.0”

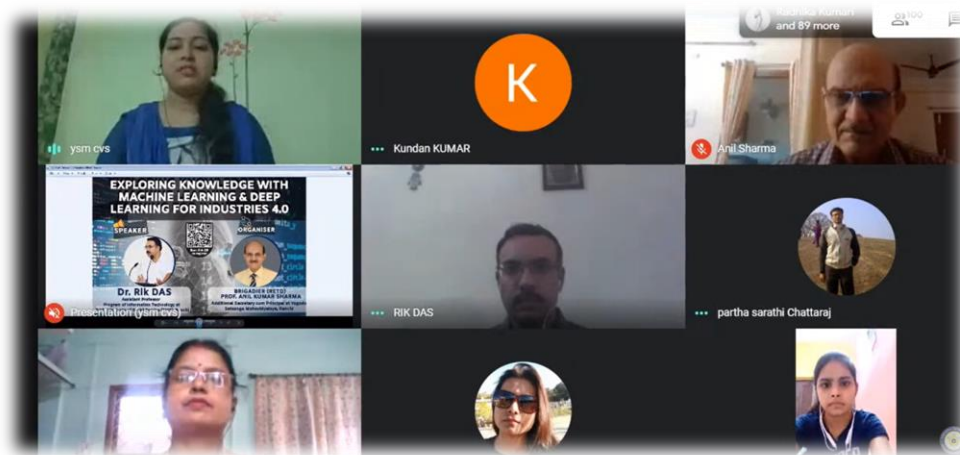

Event Website: <https://sites.google.com/view/ysm-events/home>

YouTube live link: <https://youtu.be/jlKyBato3RI>

The Department of Computer Applications and Information Technology from the Centre for Vocational Studies (CVS) of Yogoda Satsanga Mahavidyalaya, in collaboration with the Association for Computing Machinery (ACM), organized a webinar on the topic "Exploring Knowledge with Machine Learning & Deep Learning for Industries 4.0." The webinar aimed to provide insights into the applications of machine learning and deep learning techniques in the context of the fourth industrial revolution.

Event Highlights: The webinar commenced on the 8th of September 2020 and lasted for approximately two hours. It attracted a diverse audience, including students, academicians, industry professionals, and technology enthusiasts. The event was conducted online via a video conferencing platform, allowing participants from various locations to join and engage in

Screenshot of the webinar

the discussions.

Keynote Speaker: The event featured a distinguished keynote speaker, Dr. Smitha Sharma, an expert in the field of artificial intelligence and machine learning. Dr. Sharma is renowned for her research contributions and practical implementations of machine learning algorithms in real-world scenarios. Her expertise added immense value to the webinar, and attendees eagerly awaited her insights.

Session 1: Introduction to Industries 4.0 and its Relevance to Machine Learning- The first session began with an introduction to

RIK DAS is presenting

the concept of Industries 4.0, which focuses on the integration of automation, data exchange, and digital technologies in manufacturing processes. The speaker highlighted the challenges and opportunities posed by this paradigm shift. She explained how machine learning techniques, particularly deep learning, play a crucial role in addressing these challenges and optimizing industrial operations.

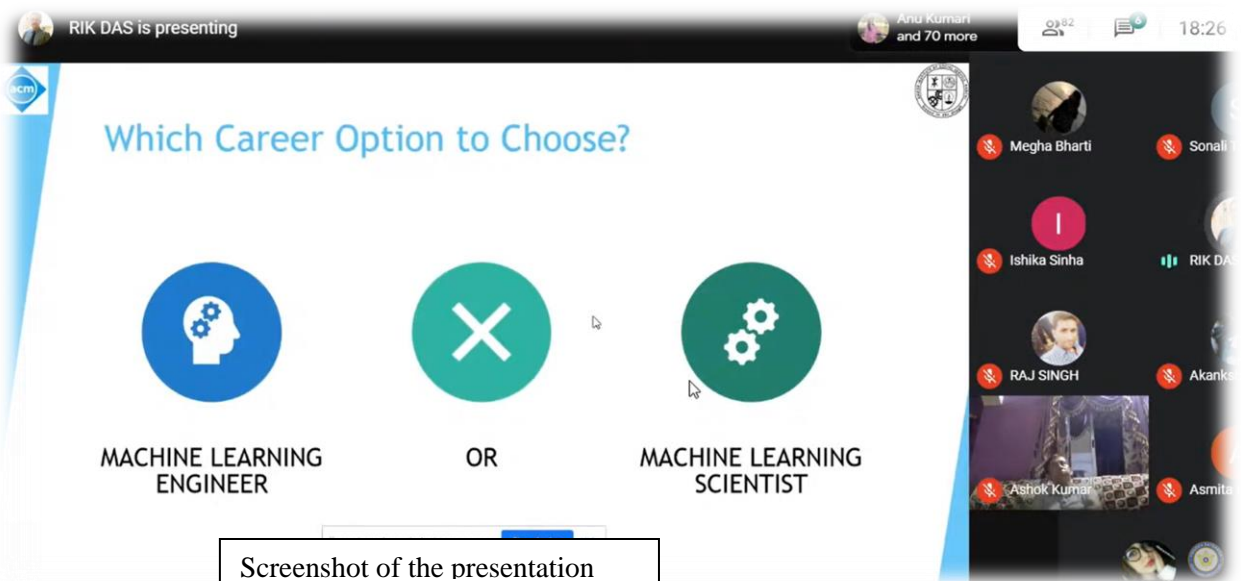

Session 2: Fundamentals of Machine Learning and Deep Learning In this session, the audience was introduced to the fundamental concepts of machine learning and deep learning. The speaker provided an overview of various algorithms and methodologies used in these domains. The participants gained insights into popular frameworks like TensorFlow and PyTorch and learned about their applications in solving complex problems.

Screenshot of the presentation

Session 3: Real-world Applications of Machine Learning and Deep Learning in Industries 4.0 The third session delved into the practical applications of machine learning and deep learning in the context of Industries 4.0. The speaker showcased real-world case studies where these techniques were successfully employed to optimize production processes, predictive maintenance, quality control, and supply chain management. The session highlighted the potential of these technologies to revolutionize the industrial landscape.

supply chain management. The session highlighted the potential of these technologies to revolutionize the industrial landscape.

On 14-08-2020, YSM conducted a highly anticipated online webinar titled "How to Start a Start-Up". The key note speaker was Dr. Vivek Bindra. The webinar aimed to provide aspiring entrepreneurs and individuals interested in venturing into the business world with invaluable insights and practical advice on launching a successful start-up.

Key Speaker: Dr. Vivek Bindra, an acclaimed motivational speaker and business coach, led the webinar. With his vast experience in training and mentoring entrepreneurs, he brought a wealth of knowledge and practical strategies to the event.

Webinar Content and Key Points:

1. **Importance of Idea Generation:** Dr. Vivek Bindra stressed the significance of generating unique and innovative ideas for a start-up. He emphasized that ideas should solve real-world problems and cater to a specific target audience. Participants were encouraged to brainstorm ideas that would create a positive impact and add value to people's lives.
2. **Market Research and Analysis:** The webinar shed light on the importance of thorough market research and analysis. Dr. Bindra emphasized the need to identify target markets, understand customer preferences, and evaluate potential competitors. He provided insights into effective research techniques and tools to gather relevant data.
3. **Building a Strong Business Plan:** Creating a comprehensive business plan is crucial for any start-up. Dr. Vivek Bindra emphasized the need for a clear vision, mission statement, and well-defined goals. He discussed the key components of a business plan, including market analysis, financial projections, marketing strategies, and operational plans.
4. **Funding and Investment Strategies:** Understanding the various funding options and investment strategies was another essential aspect covered in the webinar. Dr. Bindra provided insights into bootstrapping, angel investors, venture capitalists, and crowd funding. He highlighted the importance of preparing a compelling pitch to attract potential investors.
5. **Team Building and Leadership:** Dr. Vivek Bindra emphasized the significance of building a strong team and effective leadership. He discussed the qualities of successful leaders, the importance of team synergy, and strategies for hiring the right individuals. The webinar provided guidance on fostering a positive work culture and motivating the team towards achieving the start-up's objectives.
6. **Marketing and Branding:** The webinar delved into the significance of effective marketing and branding strategies for start-ups. Participants learned about various marketing channels, digital marketing techniques, and the importance of building a strong brand identity. Dr. Bindra shared insights on leveraging social media platforms and creating engaging content to reach the target audience.
7. **Overcoming Challenges and Failure:** Starting a start-up is not without challenges. Dr. Vivek Bindra discussed common hurdles faced by entrepreneurs and provided strategies for overcoming them. Participants gained insights on resilience, adaptability, and learning from failures to achieve long-term success.

4. Webinar on “Lockdown Fallout: Winning over academic and emotional stressors through Yogic Path”

The webinar on "Lockdown Fallout: Winning over academic and emotional stressors through Yogic Path" was held on June 22, 2020, at 4:00 PM. The event aimed to address the challenges faced by individuals during the lockdown period, particularly in terms of academic and emotional stress, and explore the potential of yoga as a means to overcome these stressors. The webinar was organized to provide valuable insights and practical guidance to participants, helping them cope with the adverse effects of the lockdown and enhance their well-being.

Keynote Speaker: The keynote speaker for the webinar was Br. Dhairyananda, Vice Chairman, Governing Body, YSM. He provided valuable perspectives on the topic and guided the participants through various yogic practices that can alleviate academic and emotional stress.

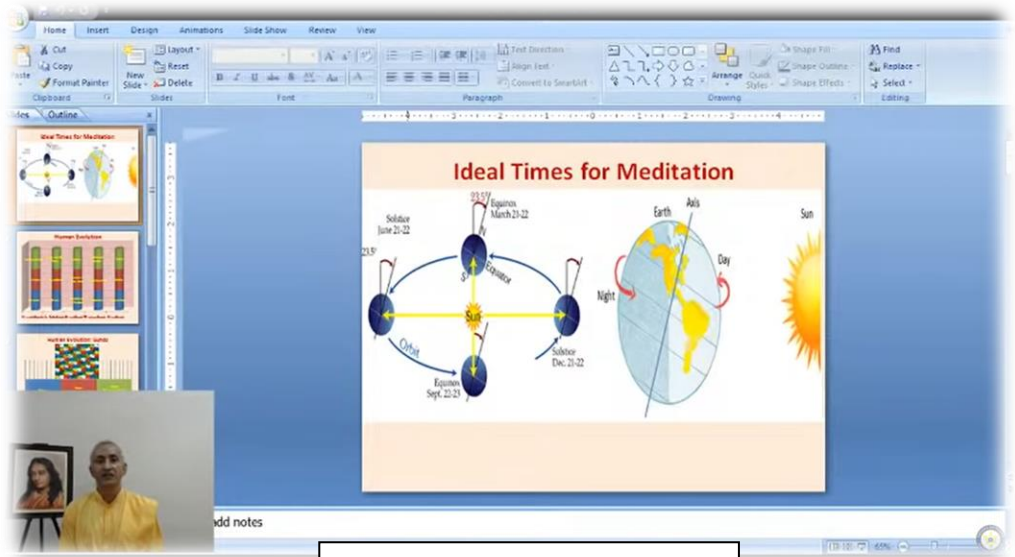

The poster features the Yogoda Satsanga Mahavidyalaya logo at the top left. The main text reads: "Yogoda Satsanga Mahavidyalaya, Ranchi Under the aegis of Yogoda Satsanga Society of India INVITES Students, Teachers, Parents and Youth to attend and benefit from a LIVE WEBINAR ON LOCKDOWN FALLOUT: WINNING OVER ACADEMIC AND EMOTIONAL STRESSES - THROUGH YOGIC PATH TALK AND GUIDED MEDITATION BY BR. DHAIRYANANDA VICE CHAIRMAN, GOVERNING BODY, YOGODA SATSANGA MAHAVIDYALAYA". A circular portrait of Br. Dhairyananda is on the left. At the bottom, it says "Monday | June, 22, 2020 | 4pm" and lists social media links for YouTube, Facebook, and the website.

Webinar Highlights:

1. Opening Remarks: The webinar began with opening remarks from the host, acknowledging the challenging times faced by individuals during the lockdown. The importance of addressing academic and emotional stressors was emphasized, setting the context for the subsequent discussion.
2. Understanding Lockdown Fallout: Br. Dhairyananda commenced the session by explaining the various academic and emotional stressors that individuals might have experienced during the lockdown. These stressors included disrupted routines, social isolation, uncertainty about the future, and increased academic pressure in online learning environments.
3. Yogic Approaches for Academic Stress: The speaker highlighted specific yogic techniques that can help individuals manage academic stress effectively. Breathing exercises, mindfulness practices, and simple yoga postures were recommended as tools to enhance focus, concentration, and mental resilience.

Poster of the event

4. Yogic Approaches for Emotional Stress: Dr. [Name] emphasized the significance of emotional well-being during challenging times. They introduced participants to various yogic practices such as meditation, pranayama (controlled breathing), and relaxation techniques to reduce anxiety, enhance emotional stability, and foster a positive mindset.

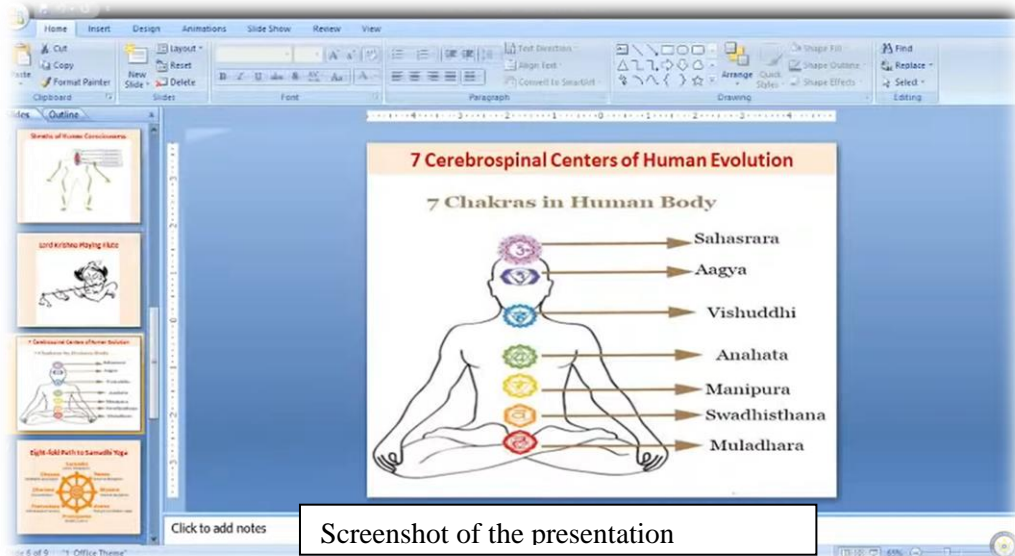

Screenshot of the presentation

integrate the discussed techniques into their daily lives to combat academic and emotional stress effectively.

5. Q&A Session: A question-and-answer session was conducted to address participants' queries and concerns. Attendees had the opportunity to seek personalized guidance and receive clarifications on specific aspects of yoga practice and its application to academic and emotional stressors.

6. Closing Remarks: The webinar concluded with closing remarks from the host, summarizing the key takeaways from the session. Participants were encouraged to continue practicing yoga regularly and
